

Background check

At the discretion of the Buyer, suppliers performing work on Sunflower property are required to submit to a background check consisting of a criminal record check and a social security verification. The supplier can provide at a minimum a redacted copy of the background check or a Letter of Attestation attesting to the completion of the check. Sunflower has a template for a letter of Attestation which can be provided to any supplier upon request.

Security Compliance

The Supplier shall comply with any Sunflower security guidelines and requirements that may be in effect when entering the site, while on site, and when leaving the site.
